WHY?

Because we are about what you are about...boating, community, environment, and adventure.

HELP MOBILIZE THE STORY

Billy Ray Jungbluth is one of those people that we all love to be around. He exudes enthusiasm and is always open to share of his time and experience. Billy Ray is one of the navigators of the "Good Clean Living" story. From some of the first days that we met, Billy Ray has always impressed that giving of yourself to help others is not a strategy, but a way of life. He is one of the models that we aspire to emulate and we are blessed to be called his friends.

If you love the boating community and lifestyle, if you have a way of seeing things others don't, if you are an adventurer that presses forward to challenge, and if you are looking for new waters, let us know.

"GOOD CLEAN LIVING"

The "Good Clean Living" concept is derived from the story of Billy Ray's life as we have viewed it. Billy Ray is a father, a grandfather, a go-getter, and a great friend. Billy Ray is always the first to reach out, to encourage, to mentor, and to support. He lives his life with a robust passion for his family, for boating, for hard work, and for entrepreneurial adventure. We would be much further back on the path of "Good Clean Living" without Billy Ray Jungbluth.

"WE'RE VENTURING OUT"

The experience of "Venturing Out" would be far less were it not for Billy Ray.
